Why are truck owners in every line of business chang ing to Ford V B Trucks? For the simple reason that cold,

hard cost figures give positive proof of V 8 Economy. These cost records tell a convincing story of time and money saved whether the job involves hauling logs out of the tall tumber to the sawmill or hauling lager from the brewery to the retailer Just as the Ford has long been called 'The Universal Car ' just so the Ford V-8 Truck is fast becoming The Universal Truck

Ford dealer will be glad to let you make your own on the job ' test . with your own loads over your own roads with your own driver Right on your own job you can keep your own cost records your own time sheets and compare V-8 Performance and V 8 Economy with your present equipment

But many close sin-dents of politics believe he would lose nothing if the bill approved by the house interelals commerce committee were to be substituted for the administration's bill

The house hill though it eliminates the drain sentence still is a drastic bill. It conforms with Mr Roosevell a camprign pledges and according to some authorities is actually strong r than the Fresilents bill recause its constitutionality is unques Honed. Thus the ullity strategists are placed in a position where the milder of two bills might turn out to be the harsher

There can be no doubt that utility hold ing companies are on the way out The only question is how long it will take and what particular method will be used.
